

THE HAMBURG UPDATE FOR THE G20 ACTION PLAN ON THE 2030 AGENDA

The Hamburg Update puts the G20 Action Plan on the 2030 Agenda into practice and highlights collective and concrete actions towards sustainable development. These actions support the agenda of the German G20 Presidency across its three pillars. In addition, G20 members also agreed to strengthen the implementation of the 2030 Agenda through closer cooperation, by:

supporting the UN High-Level Political Forum (HLPF) through expedited, high-quality, regular Voluntary National Reviews;

sharing experiences through a voluntary peer learning mechanism;

fostering continuous knowledge exchange with engagement groups and promoting multi-stakeholder approaches.

BUILDING RESILIENCE

Promote strong, sustainable, balanced and inclusive growth

Ensure coherent and coordinated assistance by international financial institutions in crisis situations

Enhance tax certainty

Promote financial inclusion for all, leaving no one behind

Promote sound, sustainable financing practices for debt sustainability

Help SMEs integrate into global value chains through better access to finance

Advance more effective use of Multilateral Development Banks' (MDBs') capital

Mobilize private capital for sustainable development through the MDBs

IMPROVING SUSTAINABILITY

Encourage digital connectivity for all people by 2025

Foster informed and evidence-based policymaking with respect to digital trade

Promote digital education, employment and entrepreneurship for women

Address gender pay gaps and foster women's career prospects

Foster and strengthen global health crisis management

Promote policies that help women and men reconcile work and family life

Implement national action plans against antimicrobial resistance

Strengthen health systems at national, regional and international levels

Prevent and reduce marine pollution

Improve natural resource use across the life cycle

ASSUMING RESPONSIBILITY

Support training for 5 million young people in rural Africa within 5 years

Launch a G20 Africa Partnership to foster sustainable development and mobilize private investment

Create 1.1 million new jobs for young people, including in rural Africa, by 2022

Combat corruption and illegal trade in wildlife and wildlife products

Ensure sustainable water use, including through ICT innovation in the agricultural sector

Establish and strengthen legal persons' liability for corruption

Promote integrity and resilience against corruption in the public sector

Eradicate modern slavery, forced labour, human trafficking and child labour

Establish non-judicial grievance mechanisms and provide access to remedy
