Continuation of project list

Brazil, Chile, Senegal, Global Mitigation Innovative Tools to Lower the Entry Barriers

Global Mitigation Foundation "Future of the Carbon Market" 2011 KfW 10.0 Grant

The foundation aims to provide start-up funds for supplying certificates from programmes

Global Adaptation Programme Implementing the UN Convention on Climate Change (UNFCCC) 2009–2012

UNFCCC Secretariat: An international network of experts that works closely with the UNFCCC Secretariat to support the development of strategies and policies to address climate change.

Advisory Services, Benchmarking and Exchange (UNEP-GBP) 2011–2014

UNEP-GBP is a programme that aims to support countries in their efforts to achieve the sustainable development goals (SDGs) and the Paris Agreement objectives.

Global Adaptation Least Developed Countries Fund (LDCF) 2011 GEF 45.0 Grant

The LDCF was established under the UNFCCC* and aims to address the special needs of the least developed countries.

Global Adaptation EbA in Marine, Terrestrial and Coastal Regions

Adaptation as a Means of Improving Livelihoods, Conserving Biodiversity and Adapting to Climate Change

Building in Climate-Related Areas

Building in areas that are vulnerable to climate-related risks, such as floods, storms, and sea-level rise, requires special consideration and planning.
