Abjad Initiative: a Syrian-led nonprofit that provides education and psychosocial support to children and youth affected by conflict

أقرأ Iqraa: A comprehensive program that provides a supportive environment for children's education.

ياسمين Yasmin: A virtual program offering education for children and non-Arabic speakers, through specialists.

أثر Ather: A program fostering youth capacity, communication, and integration in local and host communities.

Qussal Scholarship: A scholarship to support students starting their academic journey, established as a tribute to our late friend and colleague.
